President's Letter

We've had quite a journey so far. We had to fight wind and rain all the way to South Bend. We had a good time at the convention and I really enjoyed going through Building 84 and visiting the test track. Alice said the Ladies Luncheon was well attended, the food was good, and the speaker was interesting. Congratulations to Raymond and Diana Compton on their awards.

We left South Bend on a sunny, windy day and headed for Pittsburgh. We've been to Gettysburg, Washington, D.C., the NASCAR National Museum in Charlotte, NC, the USS Yorktown and Ft. Sumter in Charleston harbor, toured Charleston and then turned our RV toward the West.

We're currently at my sister's in Jackson, MS. We still have the rest of this week and next to go, but should be back in Utah by June 6. We will miss the June breakfast meeting, but plan to be at the June outing. We want everyone to have a good, safe Memorial Day and we'll see you soon.

Dave

We were reminded that you don't need a Studebaker to come out and enjoy our club events, everyone is welcome. Please notify club officers if you are aware of any member who is not doing well. It was mentioned that Wayne Fullmer has been in the hospital but is now back home.

Elisabeth thanked everyone for bringing their cars and pot luck items to the Fisher House event. The club donated the leftover food and supplies. There were seven to eight cars present.

Pizza Party May 13, 2017

By Terry Overturf

Saturday, May 13th was "pizza day" at Rock Creek Pizza for the following Wasatch Mountain Chapter members and friends. Raymond and Diana Compton ('74 Avanti II), Terry and Janell Overturf ('65 Daytona), Fred Ball ('63 Wagonaire), Harvey and Gloria Simons, Barbara Varner, Wayne and Barbara Fullmer, Bruce Linger and Doris Gabbitas, Eddie and Babette Julius & family members Kassie Julius with Taelib and Elijah, Kayla and Carl Coleman with Tap, Ryan, Charity and Harley.

Each of the moms in the group was given a Mother's Day rose by our gracious host, Babette. No one left hungry as everyone got their fill of pizza and salad.

A big Wasatch Mountain Chapter "thank-you" to Babette for hosting this event.

Studes spotted in Missouri May 22, 2017

By Jan Brunvand

We were recently in the Midwest for a graduation at Truman State University in Kirksville, MO. Parents of the grad, our daughter Dana and son-in-law Jeff, from Maryland, were there, as were the other grandparent, from Texas, and our grandson (Dana's son) Zane, a student at USU, who came in with us. After the event we went our separate ways.

Driving home Dana and family stopped in Hannibal, MO, where they spotted some nifty Studes. I suspect these might have been folks traveling home from the International meet in South Bend. There was a nice pickup, an Avanti, and a Lark. In the photos the TSU grad, Sadie, is posing with the truck and Zane with the Avanti. My favorite is the Lark, since, among other bumper stickers, it has these:

"This is a Hybrid. Gasoline + Duct Tape"

"Bail out Studebaker"

I think the license plate frame may say "It's Paid For."

I wish we had spotted some Studes to enliven the long drive through parts of Missouri, Iowa, Nebraska, and Wyoming. We were in our camper, of course, not our Studebaker.
