President's Letter

"Mister Toad's Wild Ride," or the chase scene from "It's a Mad, Mad, Mad, Mad World," which best describes our trip on Highway 12. If you were not with us, then unfortunately or fortunately, depending on your perspective, you are not going to understand. Those of you who know us well, could probably predict that one or both of those descriptions would fit what you thought would happen.

For me, the later of the two, "It's a Mad, Mad, Mad, Mad World," is the more fitting. Our tour of a country road outside Cannonville comes to mind as a reason why it is more fitting. In fact, I have even gone so far as to cast you as a specific character from the movie. So which one of you, based on my warped sense of reality, best fits the role of Spencer Tracy, Phil Silvers, Milton Berle, Terry Thomas, and, of course, let's not forget Ethel Merman!? You will never know my type of casting.

Live well and prosper and abound in goodness!
Your President! John

May 6, 2023 Breakfast Meeting

John thanked everyone for attending. He started the meeting off with a groaner of a joke. John then mentioned that our trip to visit the train station was fun and that the Hudson Club joined us on the outing.

John introduced Bill Harper who is a member of the National Club. He lives in Hyrum and has a 1955 Commander Coupe Deluxe which is in the process of making it road worthy. He drives a school bus for a living.

John gave an update on the t-shirts saying that there is no update. The vendor has everything that they need. They are in process. We are still hopeful.

Gale announced that the June activity will be on June 17th. We will be visiting the Eklund's to see their Lionel train display and car collection. The event will be held at noon in Roy. Tables and chairs will be provided. We were reminded to bring our own lunch. A barbecue will be available for use.

John questioned what is a charter member vs. a lifetime member. After a brief discussion, it was agreed upon that a charter member is someone who founded the chapter and are dues paying. A lifetime member is nominated and voted upon by the club and dues are waived. Regardless of the above, all Wasatch Mountain members must pay National dues.

John mentioned that the North Dakota chapter is holding their annual Labor Day event on September 1st and 2nd. Several members pointed out that this conflicts with our September activity which is the Helper Car Show. Speaking of the Helper Car Show, Jo had no update on the hotel situation.

We had a discussion around the May activity which is the Highway 12 drive. After the comedy act that John and Terry gave us, we were able to finalize the details for the trip. John will be updating the itinerary.

We were all reminded to leave a tip.

The 50/50 drawing was won by John and Dianne Levanger.

The Drive Your Studebaker drawing was won by Raymond Compton.

Those in attendance were: Fred Ball, 63 Wagonaire; Joe Bordelon; Jan & Judy Brunvand; Mike Cazier and guest Stuart; Raymond & Diana Compton, 74

Avanti; Vern & Marilyn Freeman; Bill Harper (guest); Eddy Julius, 62 Champ; John & Dianne Levanger, 60 Lark; Bruce Linger; David Mark and guest David; Gale & Linda Nation, 61 Lark; Marjeen Nation & Jeff Susott; Terry & Janell Overturf, 65 Daytona; Eldon Romney, 62 GT Hawk; and Barbara Varner.

Highway 12 Trip

We started out with the majority of members meeting at the Park N Ride on 7200 S. From there, we headed south. We had to detour to Nephi due to the flooding. We then stopped in Mount Pleasant where we met up with the Compton's and got to briefly visit with former club members Mike and Nanci DeKeyrel. Then we continued on to Salina where we met up with Fred, Barbara, Jan and Judy at Mom's Café. When you get a chance, you need to ask Jan about his new glasses. The food was excellent and would recommend you eating here if you are ever in the area. We then continued on to Panguitch where we spent the night.

The next morning, we got up and hit the road as we had a full itinerary. We went on highway 12 and stopped at the Red Canyon visitor center. However, we got there and found out that they were not open yet. Instead, we took in the beautiful scenery and had an opportunity to take our picture with Smoky the Bear. We then tried to visit the visitor's center at Bryce Canyon but had to turn around due to traffic and our tight schedule. We then continued on to Cannonville where we overshot the visitor's center and ended up taking a slight detour that had us backtracking. On the way back, some stopped for a potty break at the visitor's center while others of us continued on to Escalante. Once there, we met up at the senior center for lunch. Lunch was excellent and we had a warm welcome. After lunch, it was decided that we would go back to see a Studebaker and some Airstreams that were located in an area where you could spend the night. From there we returned to driving Highway 12 and went over the Hog's Back. We then visited the Anasazi Indian Museum in Boulder. We stopped for the night in Torrey. Half of the group decided to tour Capital Reef that night.

The next day the remaining half visited Capital Reef while the other half decided to get an early start on the return drive.

Those in attendance were: Fred Ball; Jan & Judy Brunvand; Raymond & Diana Compton, 74 Avanti; John & Dianne Levanger and guest Maryann; Bruce Linger and Doris Gabbitas, 62 GT Hawk; Gale & Linda Nation; Marjeen Nation; Terry & Janell Overturf, 65 Daytona; and Barbara Varner.

Sponsor Announcement

It is that time of the year, we need to start thinking about sponsors. If you know of anyone who would be a good sponsor, please reach out to them.

*** Reminder ***

If your contact information changes or you add or delete from your Studebaker collection, please let one of the officers know so that we can update the roster. Thanks!!

For Sale

It's that time of year again to clean the cars and garage. If you have cars or parts for sale, why not list them here. That way others near and far can be informed as to what is happening! It costs nothing but your time.

Well Wishes

For any members who have been feeling under the weather or undergoing medical procedures, we can't wait to see you, cheerful, happy and healthy again.

Congratulations

Congratulations to all the graduates out there.
