## *President's Letter*

It looks as though mother nature has gotten out her paint brush once again and spoiled us with another gorgeous Fall. In case you have not gotten out yet, we are planning a drive to the Oakley Dinner on the 12<sup>th</sup> of October. I am hoping all the paint will not be dried up and blown away (see flyer below for more info.)

I want to thank the people who took the time to attend our Drive Your Studebaker events. "Mike" thank you for setting up a group drive with the VMCCA and WMCSDC. Additional members went to the Legacy Car Show and Joe Bordelon represented Studebakers at the Ogden train station. By all accounts it was a good day for driving your Studebaker.

Do not forget that elections are coming up. If you want to run for an office, please let an officer know. All offices are open for nominations.

The clubs 30-year anniversary is coming up, please put on your thinking caps for how to celebrate this milestone.

Hope to see you all soon.

Gale

## *September 7, 2024 Breakfast Meeting*

Gale said that everyone had a great time at the Smarts event. We appreciate them and thank them for their hospitality. We had a good meal.

Gale mentioned that International Drive Your Studebaker Day (IDYSD) is on September 14<sup>th</sup>. He asked if anyone was planning on joining in the event that Mike Cazier has put together. No one raised their hand. The Legacy Car Show was brought up as an alternative for those who do not want to go up north. The car show goes from 10 am to 2 pm. Gale mentioned that he will go early to save spots.

Gale mentioned that it is that time of year to be thinking about officers. He knows that everyone was getting to raise their hand to volunteer. After blank stares, there were no takers. If you are interested, please let an officer know.

Gale asked if everyone had received their Turning Wheels. Most indicated that they had received theirs. On page 14, there is a vintage ad for City Studebaker which was located in Salt Lake City. If you have not already looked at the ad, you might want to check it out.

Gale mentioned that for our October activity we will be doing a driving tour to Oakley, UT and having lunch at the Oakley Diner. The activity will be held on October 12th. It was discussed that we meet at the Olympus Hills Shopping Center. Details are still being finalized.

We were all reminded to leave a tip.

The 50/50 drawing was won by John Levanger.

The Drive Your Studebaker drawing was won by John Levanger.

Please note that this might be a first where the same person won both drawings. Terry made a motion that John be removed from future drawings, no one seconded the motion so it did not pass (this was all done in jest – it was funny and you had to be there to appreciate it).

Those in attendance were: Fred Ball, 63 Wagonair; Raymond & Diana Compton, 74 Avanti; John & Dianne Levanger, 60 Lark; David Mark; Gale & Linda Nation, 55 President and 61 Lark; Marjeen Nation & Jeff Susott; Terry & Janell Overturf, 65 Daytona; and Barbara Varner.

## *International Drive Your Studebaker Day (IDYSD)*

The club had several events that members participated in for International Drive Your Studebaker Day (IDYSD). Mike Cazier arranged a joint drive with the VMCCA which went from Richmond to Idaho. Joe Bordelon went to the Ogden Train Station and several members went to the Legacy Car Show.

This article will be focused on the Legacy Car Show as that is where the secretary and newsletter editor attended. The day was beautiful for taking a drive. The sun was out in full force. Gale Nation went early in the morning to save spaces for those who attended. There were around 100 cars present. We saw several Corvettes, a Ranchero with a matching boat, a fire tire with a matching boat, and several trucks to name a few. There were donuts, coffee, popcorn, face painting, snow cones, and hot dogs available. A live band played music to entertain us. Trophies were presented after lunch and we all went on our way.

On the way home, Linda and Marjeen were cruising along when some guy came up next to us and staring talking to us. At first, we thought he was just admiring the car, little did we know. Turns out he was the previous owner of the Lark. We ended up pulling over and having a chat.

Those in attendance were: Raymond & Dianna Compton, 74 Avanti; John & Dianne Levanger, 60 Lark Convertible; Gale & Linda Nation, 61 Lark and 55 President; and Marjeen Nation.
